

KAIBAB EARLY LEARNING CENTER

The Kaibab Early Learning Center welcomes the opportunity to care for your child. We have highly qualified individuals with many years of experience who are excited to share their knowledge. The Learning Center will not be a daycare, but a learning experience, which will help prepare your young child for transition into Kindergarten.

Bing Thomas, Childcare Director: Bing has obtained an M.A. School Administration & a B.A. Early Childhood Education. Before moving to the area, he owned and operated his own childcare facility. Bing has a love of teaching, storytelling, and singing and is excited to help our children reach their full potential. One of his main teaching methods is to integrate learning while playing. This makes it fun for the child.
